Alcohol: 13.9%

Fermentation / Cellaring: Fermented and cellared in stainless steel.

Bottled Date: February 27th 2012

Release Date: March 1st 2012

Cases Produced: 111

As the crow flies west, this vineyard is about a mile away from our own vineyards in the Russian River Valley. In order to preserve the rich fruit characteristics, we ferment and age this wine in stainless steel.

What I love most about this wine is its rich floral character. What makes our Viognier special is that it's grown in a cool climate, allowing for balanced acidity, full and robust Viognier flavors without the cloying character that sometimes occurs with Viognier that's grown in warmer climates.

Tasting Notes: On the nose you'll be treated by an abundance of rich floral notes, followed by the smell of apricots. On the palate, you'll discover solid acidity balanced by flavors of citrus, grapefruit and apricots.
