What started out with a simple name of "white wine cuvee" turned into something really special! We had access to a small amount of Roussanne and Marsanne and after performing some blending trials with our Viognier, came to realize that this wine needed a better name, Inspiracio was born. Our goal now is to begin making this wine annually, and more than just a dozen cases!

Tasting Notes: You'll find flavors of spice, apricots, mango and orange blossom. Balanced acidity allows this wine to complement food or it can be enjoyed on its own.
